TERMS & CONDITIONS FOR HOTEL RESERVATION

Hotel reservations are very limited in Wengen and make accommodation very difficult for everyone following the World Cup. Media that insist on staying in Wengen must reserve and pay a **minimum of 4 nights**. Only two rooms per media can be guaranteed in Wengen. Special needs for important national press will be considered individually. For shorter stays, there are interesting offers available in Wilderswil and Interlaken and the train shuttle is free. If your preferred hotel category is no longer available, the accommodation office will automatically transfer the request to another category.

After December 1st (accreditation deadline), reservations cannot be guaranteed in Wengen. Reserved and by the accommodation office confirmed rooms will be charged.

You may cancel your reservation free of charge up to January 4th 2021.

In case of a "no show", cancellation after January 4th or last minute modifications the full amount of the initial reservation will be charged.

Reservations will be confirmed by email after December 15th by the accommodation office.

Thank you for your understanding.
